

Dr. Eveli Lume is a partner in International Dispute Resolution Practice at Squire Patton Boggs. She is an international arbitration specialist with practice exclusively focused on complex international disputes.

Eveli's practice is split between investor-state and commercial arbitration. She acts as counsel for clients with a broad geographic scope, including states and state-owned entities, as well as private sector companies throughout Europe and beyond. She has extensive experience in litigating cases under the rules of the International Centre for Settlement of Investment Disputes (ICSID), the UNCITRAL Arbitration Rules, the International Chamber of Commerce (ICC), the Stockholm Chamber of Commerce (SCC), and the rules of the German Institution of Arbitration (DIS). An Estonian national, educated and admitted to practice in Estonia and Germany, and regularly working in English, German, Estonian, and Russian, her practice is uniquely international.

Eveli also acts as an arbitrator. In December 2023, the Republic of Estonia appointed Eveli to the ICSID Panel of Arbitrators.

Eveli is the Ambassador for Estonia in the Ambassador Network of the Vienna International Arbitral Centre. She is also the founding member and a member of the board of the Estonian Arbitration Association.

Eveli routinely shares her experience through speaking engagements and lectures. She is involved in the International Dispute Resolution LL.M. program at the Humboldt University of Berlin where she teaches public international law. Eveli also lectures classes on international arbitration and international investment law at the Tartu University in Estonia and provides arbitration-related trainings to the members of the Estonian Bar Association. Eveli is one of the contributing authors to the recent Wolters Kluwer handbook "International Arbitration in Practice."

Eveli is recognized as Future Leader for Germany in the Lexology Arbitration Index 2026.
